

THANAKORN PROMNET

CYBER SECURITY INTERN

Sai Kong Din, Khlong Sam Wa, Bangkok 10510 | thanakorn.promnet21@gmail.com | 062-780-6214

SUMMARY

4th-year Computer Engineering student pursuing a Cyber Security internship, with a foundation in network configuration (VLANs, DHCP) and hands-on experience via Cisco Packet Tracer. Highly adaptable, team-oriented, and ready to support IT security operations.

TECHNICAL SKILLS

Networking	Programming	Databases	Hardware
Cisco Packet Tracer, Network Topology, VLANs, DHCP Configuration	PHP, JavaScript, HTML/CSS	MySQL, PostgreSQL, Supabase, REST APIs	Arduino, IoT Sensors Integration

PROJECTS & EXPERIENCE

Local Area Network (LAN) Setup & Testing Project (Cisco Packet Tracer)

- Designed and implemented a basic local network topology connecting multiple end-devices using Cisco Packet Tracer.
- Configured static IP addressing and subnet masks across devices to establish smooth local communication.
- Tested network connectivity using ping commands to verify data transmission and troubleshooting workflows.

Flexible Learning Hub – Web Development Project April 2026

- Designed and developed a web-based educational management system using PHP, SQL, and Supabase.
- Implemented role-based dashboards, user registration, and course management workflows.
- Source code: github.com/markkeza123456-beep/FlexReal

Part-time Service Staff, MK Restaurant

2023 - Present

- Managed multiple tasks and prioritized responsibilities effectively during peak hours in a fast-paced environment.
- Collaborated seamlessly with team members to ensure smooth operations and high-quality customer service.
- Developed strong problem-solving skills by addressing and resolving customer inquiries and on-site issues promptly.

EDUCATION

Kasem Bundit University

2023 - Present

Faculty of Engineering
Bachelor of Engineering in Computer Engineering
GPA : 3.27/4.00

ADDITIONAL INFORMATION

- Languages:** English (Basic)
- Availability:** Available for internship from 2 November 2026 to 26 February 2027
